ORANGE SOLVE
NATURAL ORGANIC CLEANER/DEGREASER
Terpene hydrocarbons, n.o.s. (D-Limonene), 3, UN2319, PGIII

CAUTION
PLEASE REFER TO THE MSDS SHEETS FOR MORE DETAILED PRECAUTIONARY MEASURES, HANDLING INSTRUCTIONS AND EMERGENCY PROCEDURES. COMBUSTIBLE - Keep away from heat and open flame. Do not take internally. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. If irritation persists, seek medical attention. If swallowed, DO NOT INDUCE VOMITING - Call a physician immediately.

DIRECTIONS
For Dried Tars and Asphalt: ORANGE SOLVE can be used as is directly from the container to penetrate and dissolve, and then be flushed with water under pressure. To Clean and Degrease Surface: Dilute 4 oz. ORANGE SOLVE into 1 gallon warm water. Apply solution generously to surface to be cleaned and let stand 5 minutes. Rinse thoroughly. To De-clog Drains: Pour 8 oz. ORANGE SOLVE directly into drain. Let stand for 1 hour or more. Flush with hot water. For disposal, use the same procedure. For Odor Control: Dilute 2 oz. ORANGE SOLVE into 1 gallon cold water. Apply through a sprayer to odor source. ORANGE SOLVE will immediately leave a fresh citrus scent.

ORANGE SOLVE is a revolutionary breakthrough in degreasing and deodorizing. ORANGE SOLVE is 100% organic, contains no petroleum distillates, alkalies or halides and is an excellent replacement for chlorinated and halogenated solvents.

ORANGE SOLVE instantly emulsifies in water to penetrate and liquefy grease, oils and tar, and is excellent for use on hard surfaces. ORANGE SOLVE is a superior drain opener, and due to its fresh citrus scent, makes an ideal drain conditioner.

Available Sizes
☐ 1 Dozen Case of 1 Quart Units (3-Gallons)
☐ 5-Gallon Unit
☐ 55-Gallon Drum Unit

WARNING: KEEP OUT OF REACH OF CHILDREN

NOTICE
ORANGE SOLVE is a concentrated organic formula that may be harmful to plastics or painted surfaces. Test surface in an inconspicuous area before using. Because ORANGE SOLVE is a powerful grease solvent, it will de-fat skin. When using ORANGE SOLVE rubber gloves are recommended to avoid chapped skin. Keep container tightly closed when not in use.
